VETS TOURNAMENT

A very successful weekend, blessed with great weather. A big big thank you to all those who gave their time to make this a successful weekend.

Thank you for your contributions of food etc. It is most appreciated.

Vets Results

As there was quite a few of our members playing in our Vets Tournament, attached also are the results for your information.

ETHNIC TEAMS EVENT

This will not now go ahead due to lack of numbers, but I am looking to run a Ethnic doubles tournament on a Sunday shortly, so if you are interested, see me urgently.

COURT FEES

Remember to pay your \$5 fee if you bring a guest along. It is your club, the Manager should not have to chase you for these fees. Also remember that running shoes on Astroturf are a complete "No No", as they ruin the surface.

COACHING UPDATE

This weekend our prospective coach will be up from Christchurch to check out our facilities. Will keep you informed.

TENNIS BALL MACHINE

I have received a few offers of donations towards a ball machine. If I get a few more offers, we will be in a position to look at all possibilities of purchase.

SUGGESTIONS

If anyone has any suggestions on improving our club, please see Dave. All suggestions welcome.

DOUBLES

If you are interested in a Saturday afternoon doubles competition over the winter time, see Dave.

PRO SHOP

The Pro Shop has some good specials on tennis shoes at the moment. If you are in the market for a new pair, now could be the time to check out the specials.
